Dear Parents and Guardians,

The 2024 academic year is at an end. Our 49th year has been another good one for the school. Whilst there have been problems to deal with, the many successes that we have been able to celebrate have far outweighed these. I thank, once again, all the staff, learners, and parents, who have contributed to the successes we have enjoyed this year.

The programme we put in place for the last week of school was thoroughly enjoyed by those learners who chose to attend. I would like to thank Mrs McLaughlin who was responsible for organising the programme.

STAFFING

We bid farewell to the following staff:

- a) Mrs Ronél Jordaan who is retiring after 37 years in teaching, and bar a short break, all of them were at Hillcrest High School. Mrs Jordaan has been an exceptionally committed educator, always going above and beyond for her learners. She has made an invaluable contribution to Hillcrest High School and will be sorely missed by all.
- b) Ms Erika Burger retires this year after teaching at Hillcrest High School in the Commerce Department for 17 years. Ms Burger is extremely hard working and always strives to get the best results out of each and every learner and she never gives up. We thank her for the contribution she has made to Hillcrest High and wish her all the best for her relocation to Gauteng.
- c) Mrs Mandy Smith is also retiring this year having taught at Hillcrest High since 2017 in the Life Science and Natural Science Departments. Mrs Smith has also been very involved with swimming over the years. Mrs Smith is strict but also has the kindest heart and will do anything to help learners and educators in any way she can. It has been such a pleasure to have Mrs Smith on our staff and we wish her all the best as she spends valuable time with her family.
- d) Mrs Yumna Desai has taught English at Hillcrest High for 8 years and has been an integral and valuable part of the English Department. She also managed the 1st rugby team with great efficiency and has been involved in many other extra-curricular activities over the years. We hope she will be very happy in her new post at Westville Girls High School next year.
- e) Mr Steedman has been at Hillcrest since 2022 in the History Department and coaching sport. It is always a pleasure to have past pupils return to teach at Hillcrest High and we hope that he will benefit from the experience gleaned here. We wish him all the best as he takes up a position of Durban High School next year.

- f) Mr Cullum Wood is returning to Grantleigh High School after teaching Geography here for a year. He has made an enormous impact on the sports field as well as in the classroom and we are going to miss seeing him out on the Cricket field next year. We wish him all the best in his new position.
- g) Mr Warren Searle, another past pupil filled in as a locum for the year and we thank him for his contribution to the Mathematics Department. He is going to continue his studies in the new year.
- h) Mr Elton Smith has been a locum and part-time teacher with us this year predominantly in the English Department but also filling in with Creative Art. We have appreciated Mr Smith's willingness to help out wherever and whenever he is needed. We wish him all the best for his future in education. He takes up a post at Thomas More College next year.

EXAMINATIONS AND REPORTS

The end of year examination session has run extremely smoothly, and I would like to thank Mrs Edy, Mrs Leuschke and Mrs Mc Callum in particular, for all they have done behind the scenes to ensure that everything has run so well again this year.

My congratulations to those pupils who have come in the top 10 positions in their grade:

100% ATTENDANCE

We believe it is important to acknowledge those pupils who achieve 100% attendance each year and therefore highlight this achievement and it is certainly an achievement that will stand these students in good stead on their CV's in the future. Whilst we realise that there are pupils who are genuinely unable to attend school on certain occasions, there are many who stay away from school for less than adequate reasons.

Congratulations to the following students:

BOOK LEVY

For the past 20 years we have been charging each learner a non-refundable book levy. The book levy for 2025 is R80. The money collected from this levy is used to repair damaged textbooks, thus saving on the purchase of new textbooks. Also, R40 of this levy is allocated to each learner to use for photocopying of their own work. This levy is payable via the KARRI App or by EFT using your child's admin number and TEXTBOOK LEVY as the reference. Please can this be done by the end of the first week of school.

MY SCHOOL CARD AND SCHOOL DAYS CARD

A reminder to use your cards over this festive season. So much money is exchanged at this time of year, and it would be great for us to be able to benefit from this. You merely have to present your cards at the respective stores when you are making your purchases. If you do not have a MySchool card or a School Day card, please contact Mrs Blom on marketing@hhs.co.za.

TRANSPORT

Some of our parents ask about transport options to/from school. We recommend that you find parents who share a similar journey to you and carpool together. If you would like to/are able to offer lifts, please contact Mrs Blom on marketing@hhs.co.za and she will share your details on the Parent WhatsApp groups.

SCHOOL GOVERNING BODY

A very big thank you to Mrs Odette Swift who has stood on the school governing body this year and now steps down as her son is in Grade 12. She has made an enormous contribution to the school which we are very grateful for.

My heartfelt 'Thank You' to all our parents who have shown their support over the year.

To those of you that celebrate Christmas – I wish you a very blessed holy season. May peace and joy surround you and your families at this time. I wish everyone a wonderful new year and a happy holiday.

Yours faithfully,

Mrs D. P. Knight
Principal
