ABOUT THE SCHOLARSHIP

Hillcrest High School is situated in the Upper Highway area of Kwa-Zulu Natal, South Africa. It provides a world class education with multiple extra-curricular opportunities.

In 2020, the Trust Committee developed a Trust Scholarship which is awarded annually to financially needy students who demonstrate:

1. Academic excellence
2. Sporting excellence
3. Cultural excellence
4. Leadership excellence

In addition to financial support, the Scholarship offers students access to a mentorship programme which aims to develop them into young leaders and change-makers.

"I am excited about the future and I want to realise my vision fearlessly"
Danica Maistry.

TESTIMONY OF SCHOLARS

Scholarship winners are carefully selected from feeder primary schools after a rigorous and transparent selection process. We are proud of the many achievements of our scholars and are especially grateful for the role the scholarship plays in providing them with a good educational basis and ongoing mentorship.

"I can gladly say that it is one the best things that has ever happened to me. If it wasn't for this scholarship I wouldn't have been able to receive the quality education that I received at Hillcrest High and be exposed to so many opportunities." Ntando Shange.

"It's not just a scholarship, it is my second mother." Xolela Magwaza.

OUR FUNDRAISING GOALS

We aim to award a minimum of 2 Scholarships per annum with each scholarship being reawarded annually provided the scholar meets the conditions of the scholarship.

In order to continue the scholarship in perpetuum, we aim to raise R10 million (\$1 000 000).
